

Wolverines Lose, Win In Weekend Basketball Games

Hoopers Will Travel This Weekend To Douglas, Stewart

By KRIS FELTE

The Yerington Lions scored 23 points in the third quarter Friday while holding the Tahoe Truckee Wolverines to 13, as they took a 75-70 win over the local boys.

The Wolverines opened the first quarter by taking a 23-15 lead. Then Yerington started to hit the bucket and trailed by only two points at half time, when the count was 37-35 for Truckee.

The third quarter saw Yerington score 23 points, and Keith Stauffer, Lion sophomore forward, chipped in 10 points as they rallied to lead 58-50 at the end of the third period.

In the final stanza the scene was practically reversed as the Wolverines scored 20 points to 16 for Yerington. This was almost, but quite, enough for Yerington topped the score 75-70 at the end of the game.

The game was full of high scorers as four players on each team hit the double figures. Keith Stauffer hit 24, to cop the honors for the Lions. He was followed by Chuck Bergman with 23, Bob Merica with 15 and Bill Nottley and Sam Medford with 13 each.

On Friday, January 29, the Wolverines travel to Douglas, returning on Saturday to meet Stewart in the high school gymnasium here at 6:45. Admission is one dollar for adults, fifty cents for students without student-body cards.

Last Rites Held For A. G. (Red) Jolly

With Father P. J. O'Neill officiating mass was read Tuesday morning at 10 o'clock at the Truckee Catholic Church for Adolphus George (Red) Jolly, 63, well known Truckee painter who died at his home Sunday at 3 p. m.

Although not in robust health since he suffered a stroke a year and a half ago, Jolly was believed to be fully recovered and only a short time prior to his death was visiting with friends on the main street.

A native of Oakdale, California, Jolly had lived in Truckee with his brother and constant companion, Raphael, for the past 40 years. They operated a studio at their home which has attracted artists from all parts of the country to view the exhibits, Raphael being a talented artist.

The deceased was a veteran of World War I, having served as a musician with the coast artillery. Surviving besides the brother here is another brother, Leo Jolly of Auburn. There are several nieces and nephews living in Sacramento and Auburn.

Following the rites here, the body was taken to the Calvary cemetery at Sacramento for interment.

Jolly will be missed by scores of friends who enjoyed discussing world affairs with him on his daily visit to the main street.

MARCH OF DIMES TO GET AID FROM SHOW

KINGS BEACH—The new March of Dimes Talent Show will climax the new March of Dimes program sponsored annually by V. F. W. Post No. 7077, Lake Tahoe and their Auxiliary.

The Talent Show will be held at Crystal Bay Club on Saturday, January 30, 1960 starting at 9 o'clock. Area Chairman Gene Faulkner states the show will be composed of local talent and talent from Reno. Tickets will be sold at the door at \$1 per person. All proceeds to go to the new March of Dimes. A buffet will be served following the show. Plan to attend Saturday, January 30.

TWO BABIES BORN AT HOSPITAL HERE

Two new future citizens arrived at the Tahoe Forest Hospital last week.

Weighing six pounds, 2½ ounces, Johanthan Robert was born January 20 to Mr. and Mrs. Jack Stowe of Donner Memorial State Park at Truckee.

Cynthia Lynn is the name given the daughter of Mr. and Mrs. Leo Smisek of Truckee who was born January 23, weighing five pounds, 11½ ounces.

COAST GUARD WILL SEEK LAKE FUNDS

WASHINGTON—The U. S. Coast Guard has budgeted \$87,000 for a manned mooring at its Lake Tahoe facility, according to an announcement from Senator Alan Bible, Democrat of Nevada.

Bible, a member of the Senate Appropriations Subcommittee, said yesterday he would strongly recommend approval of funds for the project.

Ski Meet Is Slated Saturday For High Schools At Hilltop

The California-Nevada Inter-scholastic Ski Federation will hold a Nordic combined ski meet at Hilltop, Truckee on Saturday, January 30.

The Tahoe Truckee ski team, under the direction of Coach Eugene Goodrich, will be hosts to ski teams from South Tahoe, Manogue, Leevining and El Dorado high schools.

Members of the TnT Ski Team competing are: Parky Bechdolt, Bill Connors, Robert Hobbs, Bob and David Kettenhofen, Randy Schultz and Nick Stone.

Teams will register at Hilltop Lodge at 9 a. m. The two competition events will be a two-mile cross country race, starting at 10 a. m., and jumping which begins at 1 p. m.

Bureau Cancels Boca Court Bids

N. F. Dolley, president of the Truckee Donner Chamber of Commerce, has been notified by the bureau of reclamation that they are cancelling all bids for the construction of a house trailer court at Boca.

This action followed a conference last week in which Dolley and other chamber officials pointed out that existing courts would be more than ample to house the dozen or so trailers to be used by the reclamation engineers and that the expense of building a camp was unjustified.

If the local accommodations are found to be adequate, Dolley was notified, bids will be asked from local court owners to house the government trailers during the building of the Prosser Creek dam, north of here.

Work on the project will start in early spring, according to present schedules, and will be completed in two and a half or three years.

JOHNSON SEEKS TO AID FORESTS IN U.S.

Congressman Harold T. (Bizz) Johnson, representing most of Northern California's mountain counties, appealed to Congress to add \$20,000,000 to the 1961 budget in order to continue a balanced national forest program.

Pointing out that 86,000,000 people are expected to use the national forests next year, the congressman condemned cutback in the long range national forest program advanced last year by Secretary of Agriculture Benson in connection with the operation outdoors program.

Testifying before the house appropriations committee, Congressman Johnson declared: "Last year representatives of the department of agriculture told this very same group that the forest service budget would have to be increased nearly \$33,000,000 in 1961 in order to continue an orderly growth of forest facilities."

"The President's \$149,536,500 national forest service budget falls \$20,000,000 short of this mark. There seems to be unbalance between what the President and his own secretary of agriculture believe is necessary. I ask the Congress of the United States to recognize the extremely high use of our national forests and restore this balance by placing into the budget these necessary funds."

Budget deficiencies were charged in three major fields.

1. Recreation.
2. Timber management, including preparation of sales, fire protection and construction of adequate housing for forest service employees required to live in remote regions.
3. Road and trail development.

DECORATION DINNER AT LAKE IS SUCCESS

KINGS BEACH — The decorations and flags committee of Kings Beach wish to thank all who generously contributed to the buying of the street decorations to fly during the Olympic games.

The dinner last Friday at the Crystal Bay Club was wonderful, the affair a great success and a testimonial to the community spirit of those who run the club.

Hospital Patient—Mrs. J. Licklider was reported last week to have entered Tahoe Forest Hospital as a pneumonia patient.

Local School Band Will Be Host For Olympic Groups

Tahoe Truckee Youngsters To Greet 2500 School Musicians

Tahoe Truckee's high school band will act as host and guides for the VIII Olympic Winter Games at Squaw Valley, it was announced this week.

Under the direction of Ross Price, music director for the Tahoe Truckee Unified School District, the band's 45 members will be in Squaw Valley February 17 and 18 to greet the arriving musicians and familiarize them with Squaw Valley and the Olympic facilities.

The visiting musicians are coming from high schools in California and Nevada and will play and sing in the dramatic opening ceremony pageantry planned by Pageantry Chairman Walt Disney.

Tom Walker, director of customer relations at Disneyland in Anaheim, is director of pageantry.

Cagle Rites Held In Truckee Today

Funeral services were being held this afternoon at 2 o'clock at the Truckee Colonial Mortuary for Charles Cagle, 58, prominent resident and general contractor at Kings Beach for the past 15 years. Cagle expired Sunday at 10:10 a. m. following a brief illness. Death was attributed to a heart disease.

The deceased was a native of Texas, born March 16, 1901. He is survived by his wife, Mrs. Juanita Cagle and two sons, Richard of Sacramento and Jud of Kings Beach. Two sisters, Mrs. J. A. Stewart of Lott, Texas and Mrs. J. A. Rowell of Marlin, Texas and a brother, Lee of Marlin, also survive. There are several nieces and nephews living in Texas.

Rev. Roy Rhoades will officiate at the last rites and Mrs. Rhoades will play the organ and sing one solo. Interment will be in the Tahoe City cemetery.

Sympathy of the community is extended to the surviving relatives.

PLANS ARE MADE TO FORM AIR PATROL

By VIRGINIA O'BEAR
The Civil Air Patrol is in the process of organizing a group in this area and a meeting is scheduled for February 2 at 7:30 in the basement of the Church of the Mountains. The patrol is interested in adults with an aviation background as well as interested persons without aviation experience.

Mr. and Mrs. Hugh Weinand are at present, senior officers of the Reno Air Squadron (Composite). They will be on hand at the meeting to explain what Civil Air Patrol is and its purpose.

At the conclusion of the important meeting, refreshments will be served to the many people expected to attend.

STATE REFUSES TO RAISE PRICE LIMIT

The state board of control has refused to remove \$7 a day limit on hotel accommodations for state employees assigned to the Winter Olympics at Squaw Valley.

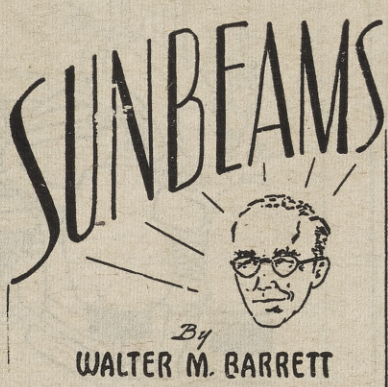

The California Olympics Commission had requested a waiver because of the scarcity and high prices of lodging at the valley.

"There is no justification for it," Marvin L. Blanchard, chief of the organization and cost division of the department of finance, told the board.

"Someone just pressed the panic button. We looked into it and find that employees can live in Truckee and commute to Squaw Valley by bus. If necessary the disaster office can put house trailers in the valley for employees who must be there."

Library Closed—During the month of February the Tahoe Truckee Community Library in the high school will be closed to the public during the vacation period.

Follett To Hospital—Sam Follett left last week to return to the Southern Pacific Hospital for further treatment. His friends are hopeful for his complete recovery of health.

Just three weeks from today, the ceremonies marking the opening of the 1960 Olympic Winter Games at Squaw Valley will take place. As we predicted some months ago, the games will mark the biggest advancement in the fast growing winter sports field that the west has ever seen or will see again. Whether we approve individually of winter sports or not, the fact remains that they have become a very important part of life in California and will continue to gain in popularity as time passes. In spite of this fact, the game planners are besieged from right and left with criticisms, mainly from politicians seeking to gain added favor from their constituents by "blasting" everything that doesn't bring direct benefit to their particular district. This is most unfortunate and certainly uncalled for. The general public may get the idea that the planners have committed a crime against the taxpayers of the state. As a matter of fact, the money which went into the games facilities came from the tideland oil funds through beaches and parks and we feel this section of Northern California is justly entitled to the money spent, especially in view of the fact that all segments of the state will be benefited. Just what the immediate impact of the games will have on this region is problematical and depends to a large degree upon weather and highway conditions, but certainly, in the right hands, the far reaching effects will be good and worth every cent of the money required.

LITTLES ARE HURT IN SACRAMENTO CRASH

SACRAMENTO — Six persons were hurt in a three car collision Thursday at Capitol Avenue and 16th Street.

The police said a car driven east on Capitol by Mrs. Edna Gilman of Sacramento ran a red light at 16th. Her car struck one driven by Jerome A. Little of Kings Beach.

Mrs. Gilman's car glanced off the car of Joseph F. Franzosa, who was stopped for the light, and struck a palm tree.

Mrs. Gilman and her sons, Bruce, 16, Morris, 19, and Donald, 7, suffered minor injuries. Little and his wife, Jean, were in the Sacramento Hospital where their injuries were not considered serious.

Franzosa was not hurt. Mrs. Gilman was cited.

PRECIPITATION HERE NEAR MONTH NORMAL

Precipitation for the month of January on Tuesday of this week was 5.34 with the normal for the month 5.88 and for the current week 1.99 was realized with 11 inches of snow at that time.

Henry Toccalini of the Tahoe Forest Service said on Tuesday there were 25 inches of snow at Truckee and high temperature was recorded at 42 degrees January 23, a mild low of 15 above on January 24.

20-30 CLUBS MEETS HERE TO ORGANIZE

Leon Hutchins, appointed chairman of the reorganization of No. 344 Twenty-Third Club of Truckee presided at the meeting held at 7 p. m. in Donner Hotel last evening.

Martin Galantromini, governor of the Nevada District of Reno, Nevada was present to explain the required steps for re-establishing the club.

Others on the local committee are B. Kingery, S. Hammer, Les Lazzari with Ken Hedlund, past active member as advisor.

IN RENO
Postmaster Elizabeth Bavier, who was seriously injured in an automobile accident several weeks ago, has left the Tahoe Forest Hospital and is visiting in Reno for a few days. Her condition is still not satisfactory but is improving more rapidly.

Huge Traffic Gain Recorded On 40 During Past Year

Truckee Second Only To Southern Station As Entry Port

There were 169,856 more automobiles and 414,068 more passengers entering California through the Truckee quarantine station last year than in 1958.

This is according to the annual report by the department of agriculture.

The report shows there were 775,902 cars, 49,444 trucks and 9,268 buses checked at the local station during 1959, with 2,157, passengers. This compares to 606,046 cars, 44,706 trucks and 8,891 buses with 1,742,984 passengers checked in 1958.

August was the heaviest travel month with 604,612 cars, while the lightest month was February with a total of 226,927 automobiles.

Compared with the other 18 checking stations on the California border, Truckee was exceeded only by Yermo which counted 863,664 cars during last year or 87,752 cars above the Truckee record.

Paul Lunardi Will Seek Reelection

Assemblyman Paul J. Lunardi (D-Roseville) has announced his intention to run for re-election to the sixth assembly district. Lunardi, who represents the largest assembly district in the state legislature, has devoted his full time to legislative duties, and during his first year in office has covered some 26,000 miles in representing this district.

He is vice-chairman of the assembly interim committee on water and is a member of the assembly interim committees on transportation and commerce, fish and game, and public utilities and corporations. He also serves on the joint committee on fair allocations and classification.

Lunardi was first elected to the Assembly in 1958 and prior to that time served as mayor and city councilman for the City of Roseville for eight years.

WALLY GILLETTE IS NAMED IN COLUMN

Millie's Column, by Millie Robbins in Tuesday's San Francisco Chronicle is devoted to the late Wallie Gillette, whose rugged character and pioneering spirit more than 40 years ago promoted the popularity of winter sports in California.

The column says Gillette selected Truckee as his base of operation and "poured tremendous energy and enthusiasm into the project."

The story tells how Gillette built a toboggan slide and ski lift, a skating rink and installed sleds and ski lift, a skating rink and installed sleds and lured a staff of Nordic skiers to help.

"A ruddy cheeked, bouncy individual with an ingratiating manner, Gillette managed to establish an important rapport with the Southern Pacific Railroad, selling them on the idea that excursion runs from the bay area to Truckee would pay off."

"Then as the local chamber of commerce got behind him full steam, it wasn't long before he was in business. Decked out in a bearskin coat and matching hat, he would be on hand to meet the trains, beaming a hearty welcome."

The story continues to tell of the coming of the motion picture companies in 1918 and that within a few years Gillette bowed out of the winter sports picture to operate a summer resort at Donner Lake.

"But," the article concludes, "Gillette made an indelible mark in the snow."

VALENTINE WILL BE MOTIF OF MEETING

Truckee Chapter No. 116, O.E.S. will meet Tuesday evening, February 2 with Margaret Craig, worthy matron, and Sam Faulkner, worthy patron, presiding.

Eva Aweeka, with her committee, will serve refreshments in the banquet room and Valentine Day will be the theme of the evening. Charles and Pearl Heller will be the host and hostess.

Plan To Improve TV Reception In Area Will Proceed

More than 25 interested people Wednesday attended a meeting at the fire station in Tahoe City when it was decided definitely to continue with plans to provide clear channel television reception through installation of translators.

Ed Bean, who has spearheaded the plan, said nothing further will be done on the program until after the Olympic Games at Squaw Valley but that as soon as the games are complete work will start on the necessary survey.

A representative of the Adler Company attended the meeting to explain how the plan will work. Tentatively it is proposed to install one translator at a cost of \$15,000 to be financed through memberships. If it is found that the one translator will be insufficient to provide 100 per cent coverage of Lake Tahoe, Truckee and the Donner Summit area, it is possible a second can be installed, Bean said.

The survey will be made to determine just what immediate areas the one apparatus will reach. For this survey Bean has asked that everyone now unable to receive Channel 8 from Reno, to drop a card or letter to him at Box 61, Tahoe City. These cards and letters will assist materially in the survey to determine where the translator should be located.

The plan to provide a number of clear station receptions to all parts of the region has met with nothing but approval and enthusiasm, Bean declared, and it was for this reason that it was decided to proceed as soon as possible with the work so that it can be in operation later this year.

Zoning Meeting Is Held For Donner

By VIRGINIA O'BEAR

The Nevada County Planning Commission met with residents of Donner Lake Monday night at Donner Lake Lodge. It was quite evident that the commission has the interest of the Donner residents at heart and appointed a committee to contact all residents at Donner to find out what they want in the line of zoning.

The people have to decide whether they want R1, R2 and commercial zoning and the boundary lines and when this information is obtained, the committee will present it at the meeting in Nevada City on February 15. The meeting will be held in the supervisors room at the court house.

Members chosen for the committee are chairman, Dick Swanson, Dr. Robert Affeldt, Mrs. Eugene Welch, Bob Roth, Hal Welch, Dan Horman, Dick Hampf, C. Z. Smith and Mrs. Rex Reid. Mr. Richard Walker, sanitarian will be on hand to assist when necessary.

Residents of Donner Lake were very pleased that the commission came all the way from Nevada City in the ice and snow to help solve a serious problem. Members of the commission who attended the meeting were C. T. McGuire, County Surveyor, John J. Looser and Weston W. Brunner of Grass Valley, Myron Runyan of Nevada City and C. Edmunds of Truckee.

SERVICES ARE HELD FOR RALPH S. PEER

Funeral services were held at the Church of the Reformation in Los Angeles for Ralph Sylvester Peer January 22, with Rev. William Key conducting the last rites.

The deceased was a native of Kansas City, Mo. and has been a resident of southern California for some time and is well known at Tahoma where the family has a residence.

Interment was in Forest Lawn Memorial Park at Glendale.

RETURNS HOME

C. B. White, who has been receiving treatment in a Sacramento hospital for a broken knee, returned to the Tahoe Forest Hospital Friday. His condition is reported somewhat improved but he will be incapacitated for some time.

BACK TO SCHOOL

Thomas W. Howard, who was recently discharged from the army after service in Korea, has returned to San Francisco where he is enrolled in San Francisco State College. He and Mrs. Howard will make their home in the city.

Two Killed, Many Injured In Auto Mishaps In Area

Car Plunges Off Bridge As Icy Road Blamed In Local Crash

Two Mountain Home, Idaho, air force men were fatally injured and four others were injured and hospitalized as a result of automobile accidents in this area during the past week.

Phillip George Foster, 18, whose home is in Oakland was killed instantly when the car he was driving got on the wrong side of the highway one mile east of the intersection of Highway 20 and U. S. 40 and crashed head on into a Garrett truck driven by Walter Blaine George, 34, Salt Lake City.

Foster's companion, Airman Robert P. Kolibob, also of the Mountain Home base, was fatally injured and died a short time after arriving at the Tahoe Forest Hospital. The truck driver was not hurt.

FOUR OFF BRIDGE

Four Grass Valley people were injured Sunday at 2:10 a. m. when a car driven by Donald Leroy Eaton, 24, plunged off the Bridge street bridge on the Brockway shortcut and dropped 30 feet into the snow beside the Truckee river. The driver was cited for going beyond a safe speed limit.

Also injured and taken to the hospital were Linnie Eaton, 21, RaNaee Hancock, 23, and Wilford L. Hancock, 24.

The car skidded on the icy road and went through a gap in the bridge railing caused by a previous accident which involved a car driven by Martin Kumble of Truckee. Although the span was under repair, engineer markers which had been posted along the break had been knocked down by cars which failed to make the turn to get onto the bridge.

Supervisor H. G. Loehr, in commenting upon the mishap, said that there are not enough men on the county's road crew here at this time of the year to handle the volume of maintenance and do bridge work. He said this mishap may well have been avoided had there been sufficient crewmen to do the work required. He said he is appealing to the road commissioner, who has jurisdiction here, to employ more men.

HELD AS DRUNK

Lyle Henry Broyles, 19, Tahoe City, employed at Squaw Valley, was cited for drunk driving after his car ran off the roadway one mile south of the Squaw Valley entrance on Highway 89. He was taken to the Tahoe Forest Hospital for treatment. The accident occurred Friday at 4:45 p. m. and was investigated by the California Highway Patrol which issued the citation.

SIX CAR MISHAP

Mrs. Maurine Stowe, 49, Menlo Park suffered minor injuries a quarter of a mile west of the overpass on Route 89 Friday at 10:30 p. m. The car was driven by Frank E. Stowe. The highway patrol reported one car stopped and because of the icy pavement, five other vehicles rammed one another in the series of crashes.

MORE SERVICES FOR CHURCH ARE PLANNED

Rev. George Symons, pastor of the Church of the Mountains (Methodist) in Truckee has announced an expansion of the church activities.

Starting this week, there will be added to the schedule two worship services. These are the same as the regular Sunday morning services and are intended to make it possible for persons living out of the area or persons who find that the 11 a. m. time is inconvenient to attend the other services.

The new service schedule will include Thursday evening at 7:45 in the church at Truckee and Sunday morning at 8 o'clock at Soda Springs Hotel.

Everyone is invited to attend any or all of the services. Rev. Symons expressed his appreciation to the Soda Springs Hotel for its cooperation.

PHIL EDWARDS WILL SERVE ON BOARD

KINGS BEACH—Phil Edwards of Kings Beach has been appointed as a permanent member of the board of appeals in the uniform building code adopted by the board of supervisors of Placer County.

Other members of the board are Norman Andregg of Auburn, Col. James Smith of Meadow Vista, John Piches of Roseville and Robert Dahlberg of Auburn.

Norman Mayfield of Tahoe City who was once appointed to the board has resigned.

RAINBOW GIRLS IN INSTALLATION MEET

Sunday, January 31 at 2 p. m., Hope Assembly No. 18, Order of Rainbow Girls will hold its ninth installation ceremony in the Masonic Hall.

Everyone is invited to attend the jitty dinner and dance to follow the ceremony.

their January birthdays in fine
style on the 26th at the Neidig's
Lake Forest home. It must have
been a jolly time because the
plans and good wishes were flying
thick and fast when we talked
with them last week. Among the
guests were Bob Snyder, Irwin
Zelinka and Tony and Eva Dona-
dio.

Russell Gillwee of Orinda and
Tahoe Pines spent the weekend at
the lake.

Alvin Johnson is the new assist-
ant manager of the Travelodge,
Tahoe City. Alvin has been asso-
ciated with Bill Bechdolt for some
two years.

Architect Jack Haley of Sacra-
mento and Chamberlands went to
the hospital with pneumonia last
week but is coming along fine.

Restaurant and resorts on the
south side of the Tahoe City
bridge are having some difficulty
as a result of the Highway 89 sign,
just beyond the bridge which is
sometimes covered and sometimes
not. This sign states that the
road is closed 17 miles beyond
that point, which leads many
motorists to believe it is closed at
that point, since the statement:
"This road is closed" in big let-
ters—is followed on the lower half
of the sign with "17 miles beyond
this point." Some clarification of
this sign, or a statement that the
road is closed 17 miles beyond
Tahoe City would prevent loss of
patrons to the restaurants and re-
sorts now open for the Olympic
trade. They could very well suf-

fer revenue loss from a sign pro-
claiming a road closed 17 miles

DONNER SUMMIT NEWS

By DONNA I. POWER

WEATHER

Skiing was good in the Donner Summit area Saturday, but snow began to fall on Sunday during the late afternoon. The storm brought the year's total snow fall to 119.3 inches by 8 a. m. January 25 while snow continued to fall heavily. The total snow depth registered 55 inches with 20.5 inches falling between January 18 and January 25. The weeks maximum temperature was reached January 23 with a reading of 37 degrees. The minimum temperature was recorded January 22 at 16 degrees.

SUGAR BOWL

The Northern California Inter-collegiate four-way ski meet was held Saturday and Sunday at the Sugar Bowl ski area. Saturday's contestants matched their skill in downhill and cross country skiing, while Sunday, teams met to compete in slalom and jumping events. Taking top place honors against seven other teams from California's colleges and universities was the University of California's team with a total score of

369.7. Second place winner was Stanford's team scoring 335.1 points. The Sierra College team from Auburn collected 327.5 points to hold third place over Chico State College team with 305.6 points.

NEW ZEALAND TEAM

Arriving on the heels of the Australian Olympic ski team which left Sunday is the New Zealand team which will ski January 26 and 27 on Sugar Bowl's Mt. Lincoln. Accompanying the team is their manager, Dick Cuncan, and their coach Ken Lallor. Yves LaTrelle will aid in the coaching program while the team is at the Sugar Bowl. LaTrelle who came originally from Canada is a top skier from Los Angeles where he is a member of the Southern Skis Ski Club. He was a winner in the veterans division of the nationals held at Sugar Bowl last year.

COMMUNITY CLUB

Last week's meeting of the Donner Community Club was canceled due to heavy snow fall. The meeting is again being planned for Thursday, January 28 at the Donner Trail School. The business meeting will follow a pot luck supper. Important items on the agenda for discussion will be a volunteer fire department for the Donner Summit area, the Com-

TV Schedule For Games Announced

SQUAW VALLEY—Sports fans across the nation will have the opportunity to view 13 of the 77 hours of action scheduled during the VIII Olympic Winter Games here Feb. 18-28, according to the

munity Club sponsored square dancing and the purchase of a musical instrument for a student at the Donner Trail School.

SUMMIT SIT

The ladies of the Summit Sit postponed their second January meeting last week because of heavy snow fall. Hostess Kate Zoll will hold the meeting in her Kingvale home January 27.

SKI CLUB

The American River Junior College Ski Club had as their guests this weekend the members of the Chico State College racing team and their coach, Garth Dunning. Also highlighting the weekend's activities was the announcement of the engagement of two of their members, Sharon Jorg and Nate McCorkle. A surprise birthday party was staged for guests Bruce Norlie and Donna Power.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: This week we wrote letters to our classmate, Diana Fair, who is still confined to a hospital in Reno. We are all happy to hear that she is improving.

FIRST AND SECOND GRADE: We are studying about the Olympics. In the 2nd grade numbers test, Kent Mullis, Susan Kenyon and Margaret McLane got a perfect score.

Our good spellers for the week are: Gary Santino, Nancy Raynor, Pat Stark, Kent Mullis, Susan Kenyon, Kathleen Collier, Joe Jaurequi, Jean King, Jimmy Peterson,

Virginia Strobel, Darlene Androus, Margaret McLane, Gary Paddock, Rose Campos.

SECOND AND THIRD GRADE: Second and third graders were busy this week studying about the history of the Olympic Games. The favorite lesson was about the flags of the countries of the competing nations.

Best spellers are David Capel, Donna Comola, Larry Doyle, Kathy Goicoa, Deborah Harris, Ben King, Mark Manley, Diane Rose, Jim White, Chris Wiser and Phyllis Brown.

THIRD GRADE: Several boys and girls have missed no days of school this first semester. They are: Curtis Melugin, Curt Wurst, George Franceschini, Mary Lou Randall, Steve Maynard, Jerry Higgins and Joe Reichlin. Congratulations.

gratulations.

Special Social Study reports were made by Maryann Atkinson and Curtis Melugin this week.

We're sorry Jackie Mitchell is leaving our class. His family is moving to Grass Valley. We will now have 19 boys and 11 girls in our room.

FOURTH GRADE: Steve Schooley brought his electric microscope to school so we could examine onion skins, salt, pepper, sugar, hair and paper.

In a multiplication quiz, John Clark, Bob Goldsmith, Thomas Holleman, Phil Riden, Linda Russell, Karel Lynn Sauby, and Jenny Wilhelm showed strength.

A play about "The Hungry Wolf" was presented by John Glade, Steven Schooley, Ronald Drake, Barry Waters, Ken Brett-hauer, Bob Goldsmith.

FOURTH AND FIFTH GRADE: In spelling, David Higgins, Pam Horman, Judy Ingalls, Jerry Neugebauer, Tommy Romo, Nancy Randall, Sheila Rosamond, Bobby Weihe and Marta Drewry passed with 90 per cent or higher in 4th grade.

In spelling, fifth, Cheri Comola, Gail Englehart, Craig Mullis, Dennis Richards, Bernard Stacey, Len Vind, Bill Waters, Dianne Huse and Beverly Holleman passed with 95 per cent or higher.

Cheri Comola, Gail Englehart, Beverly Holleman, Craig Mullis and Dianne Huse received A's on social studies notes.

We are happy to have Marta Drewry in the class.

Fourth grade language: Pam Horman and Nancy Randall turned in very fine language reports. Water hazards were Gail Englehart, Cheri Comola, Beverly Holleman outside help, Suzie Olan, Len Vind, John Collier, Billy Hobbs, Bobby Weihe and Bernard Stacy added to the hazards.

FIFTH GRADE: Student who showed considerable improvement over the last eight week period were: Catherine Brailley, Rhonda Manley and John Goldsmith.

Top scholastic honors went to Jack Melugin and Terri Richards. Last week fifth grade boxes took on some of the boxes from the fourth, seventh and sixth grades.

SIXTH AND SEVENTH GRADE: This week we've been studying current science events for 1959, which consisted of the Russians photographing and hitting the moon, new types of water transportation and finding distances by use of radio waves.

Those making A's are Barbara McCallen, Diane Pankoke, Judy McGinn and David Sorani. David Sorani and Judy McGinn are still on top concerning book reports.

John Besio, Virginia Laughlin, Donald Stowe, Terry Stark, Tony Kenyon, Patricia Kelly, Judy McGinn, Jim Roth, Sandra Sult, Cynthia Chandler, Lorraine Davis, Don Greene, Kathleen Kenyon, Barbara McCallen, Anne Morey, Diane Pankoke, Connie Rhoades, Betty Saarni, John Sturcke, Catherine Wilhelm and Janice Randal are all "A" spellers this semester.

Those people who are getting the best arithmetic grades are Lorraine Davis, Don Greene, Barbara McCallen, Anne Morey, Randy Russell, Betty Saarni, Monty Straub and John Sturcke.

SIXTH AND SEVENTH GRADE: Several more reports on South America were given. Barbara McCallen on Buenos Aires, Janice Randal on the Pampas, Mike Sullivan and Chuck Trainor on Brazil's new capital Brazilia, Charles Hintz and John Sturcke on their relief map of South America.

SEVENTH GRADE: We have had a mid-term election, the officers are as follows: Kenny Taylor, president; Brenda Blair, secretary; Kenny Kisor, sergeant-at-arms. Our editors: Howell Burchfield, Susan Knapp, David Fordham, Pat Shane, Marcia Leamon, Brenda Blair.

KINGS BEACH SCHOOL: Winter scenes decorate the kindergarten room at Kings Beach.

The following have helped the

class write a poem about Snowy Snowman to accompany their work: Jeff Bracy, Gary Anderson, Susan Astle, Debbie Brockelsby, Diane Carrara, Jackie Biggs, Cindy Anderson and Randy Austin.

FIRST AND THIRD GRADE: The first grade has finished another reader. The third grade is making a study of Alaska.

Sandra Martin has been ill for over a week. We hope she is feeling better.

SECOND GRADE: The following children have completed the reader "Many Surprises" and are now reading "Happy Times." Greg Brockelsby, Karen Carrara, Jay Johnson, Jeff Slater, David Brown, Carolyn Sprinkle, Gregory Hane, Lowell Lochner and Gary Peters.

These boys and girls had perfect scores in spelling this week: Rhonda Lumpkin, Rickey Decker, Dona Lisa Beck, Denise Crowley, Eddy Baker, Hazel Waincoat and Sally Templeton.

THIRD GRADE: We have been making booklets on Alaska. We have a map showing products, one showing the important cities, mountains and industries.

Jennifer Hoffman is our champion speller since the beginning of school. She has a perfect score. Karen Crowley and Skip Weber are next with only one word missed in the entire period.

FOURTH GRADE: The fourth grade is busy learning the tonettes. They are finding that it is quite a job to learn the proper fingering and read music too.

Reading achievement tests were given this week and we are completing our first readers.

All are looking forward to the month vacation.

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children agree that the number 8 is the most difficult number to make. The following made a very good 8 after one day of practice: Theresa Vanni, David Beckman, Laura Njurich, Sheryl Walling, Cinthie Ables, Scott Jorgensen, Michael Bechdolt, Susan Lewis, Beverly Freeland, John Attardi, Holly Davidson, Susan Kettenhofen, Rudy Peterson and Laurie Stevenson.

FIRST GRADE: Top test papers in arithmetic this week were done by Paul Corona, Tommy Coster, Steven Cross, John Geyer, David Karcher, Billy Moyer, Carl Ruhkala, David Thomson, Bob Zehm, Sherry Freeland, Julia Gehlert, Julie Howard, Jennine Michener, Kathy Mitchell, Bonnie Nyberg, Judy Funkhouser and Eve Hunter, Paula Henriksen.

SECOND GRADE: David Timbrel served as class president for the week.

FOURTH GRADE: The following children received hundreds in a recent problem solving arithmetic test: Dianne McBride, Tuck Rivard, Bro Shontz, Barbara Ann Nielsen, Leah Howard, Mary Tabor Griswold, Ernie Marier and Ann Starratt.

Anna Marie Connors and Diane Poindexter were our class models during a session on portrait painting. Best pictures were drawn by Tabor Griswold, Dianne McBride, Roxanne Anders and Toni Rates.

FIFTH GRADE: A quarterly spelling test given to cover the fifty states was given on Friday. Cathy Coster and Jimmy Bechdolt received 100 per cent charting a five star reward on their record bulletin.

History booklet receiving honors last week was that of Cathy Coster in the history of Squaw Valley which included illustrations of the flag and symbols to be used in the Olympics next month.

SIXTH GRADE: Report cards are out and some students are happy, others not so. On the whole the class has improved a great deal.

SEVENTH GRADE: This week the class took two review tests in math. Those students receiving excellent grades were: Wendy Broomhall, Eddie Hoff, Sherry, Jerry Bloom and Susan Stephani. Students excelling in a science exam were Wendy Broomhall and Sherry Wall.

TNT Tidings

By SHERRY THATCHER

The TNT basketball team travels to Douglas to meet with the Tigers, for the second time this season, Friday night.

Saturday, we host the Stewart Indians here. Game time is 6:45 for the J. V. teams, and 8:15 for the Varsity game.

Remember that the basketball games will continue in February, even though school is not in session. Fans may check the schedule posted at most stores in Truckee and the Lake areas.

Saturday was not only the

The Moslems" were completed by the class, and exceptional work was done by the following: Wendy Broomhall, Randa Fugere, Eddie Hoff, Holly Shaw, Susan Stephani, Toni Taylor, Sherry Wall and Katie Schwiager.

Perfect papers on Unit 20 in spelling were written by: Wendy Broomhall, Lisa Davis, Randa Fugere, Eddie Hoff, Larry Ingram, Roger Michener, Karen Simpson, Susan Stephani, Sherry Wall, Katie Schwiager and Jerry Bloom.

SEVENTH GRADE: The students receiving above average grades on our Unit IV test in social studies were Leta Laborde, Estelle Howell, Kent Fugazi, Chuck Carpenter, Amy Arndt and Barbara Hampton.

The spelling test was especially well done this week with Amy Arndt, Carol Franklin, Kent Fugazi, Bob Holley, Estelle Howell, Leta Laborde, Marie Waincoat, Donna Mackin, Sharon NyBlom, Barbara Hampton, Marlea Draney, Don Decker, Chuck Carpenter, Carl Brooks and Wendy Boatman earning A's.

EIGHTH GRADE: With the end of the "winter quarter" top spellers are: Brad Thompson, Gene Smith, Richard Krips and Joe Hoxsie. All have received A's in all papers or all A's except for one paper.

Top readers are: Lorayn Munson, Rene Robert and Kim Molsberry.

Best in math include: Dean Handy, Joe Hoxsie, Bill Raikes, Rene Robert and Gene Smith. Social studies and English grades place at the "top of the heap": Deon Denton, Rene Robert, Gene Smith and Brad Thompson.

TAHOE WEATHER

TAHOE CITY—Five inches of new snow fell at Tahoe City Friday to bring the total on the ground Monday to 21 1/2 inches. An inch and a half of precipitation was recorded. With seven gates partly open, the lake level stood at 6225.01 Monday subject to revision. The temperature has ranged from 23 for a low to a high of 39 degrees during the week.

scene of a fast and furious basketball game with Douglas, but also an opportunity to see many of the familiar faces of former students of Truckee High.

Among those attending the game were: Craig Robinson, Shirley Taylor, Kobby Kiser, Dean Holbrook, Floyd Cooper, Denny Osburn, L. J. Robinson, Rex Donaldson and Steve Cowan.

The TNT journalism department has earned membership for Tahoe Truckee in the Central Valley Scholastic Journalism Association. The class is planning to attend the spring conference in Sacramento.

Now that finals are over, some students are looking forward to a month's vacation. But many TNT-ers are going to trade their time for good experience and considerable money by working. A large number have been lucky enough to obtain jobs at the Winter Olympics, and others are working in nearby resorts, stores, restaurants and even the post office at Tahoe City to help the businessmen and women handle the many visitors who will be thronging to this area in February.

Mount Lassen, 10,435 feet, is the only volcano in the United States which has been active in modern times.

looking ahead

(without really meaning to)

You're not the sort of man who deliberately closes his eyes to the future. Not at all. In fact, you started buying U.S. Savings Bonds because you knew they could mean a better life for you and your family in the years ahead.

But then something happened. For one reason or another, you lost the Savings Bond habit.

And yet today there is more reason than ever to invest in Bonds. And millions of Americans know it. The amount of money they own in Bonds is at an all-time high—over 42 1/2 billion dollars.

Americans know regular saving is the surest road to a secure future. And there's no better, safer, easier way to save than with U.S. Savings Bonds.

Think it over. Isn't it time you got back into the Savings Bond habit—and started looking ahead again?

DONNER DOINGS

By VIRGINIA O'BEAR

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department met at Donner Lake Lodge last Thursday night and despite the snowstorm, a large turnout gathered for the dinner and business meeting. The next meeting will be held on February 11 and at that time, officers will be elected for the year and will take office in March. The meeting will be held at Donner Lake Lodge and since the Olympics start on the 18th, members decided to have the February meeting a week early. The board of directors meeting will be held the previous Monday at the home of Joan Conley. Members of the Auxiliary are welcome at any time to attend the

board meetings. In case you are wondering, the pepper and vanilla sales were good but there is still some available for those who wish to buy it for just one dollar per bottle or box. I have tried mine already and I like it so well that I will buy a few more at the next meeting. Hope to see you there.

Donner Lake Resorts will meet at Donner Lake Lodge on February 7 for a dinner and business meeting. Ivan Tofft will preside at the meeting and at that time preparations will be made to help decorate the Donner area for the Olympic Games. Samples of banners, flags and decorations will be obtained from the Truckee Donner Chamber of Commerce so the members may purchase what they desire by placing their order at that time and receiving the decorations in plenty of time before the Olympics. Most of the business people I have talked to are much

FLU IS BELIEVED TO BE IN PLACER AREA

Dr. Richard F. White, Director of the Placer County Health Department, stated today that influenza, he believes, has come to Placer County.

This statement is based upon answers to queries received by the county health department of suspected influenza from physicians and individuals. There have been many reports of an illness characterized by fever, headaches, sore throat, cough and other respiratory symptoms, and muscular aches and pains.

These symptoms are those found in influenza. There is also present in the Roseville and Auburn areas a higher than usual rate of absenteeism, which is probably in part attributed to the flu.

The county health department is endeavoring to determine by means of selected blood specimens whether this is Asian influenza or not; however, the answers will not be available for a couple of weeks.

The matter of vaccination against influenza, Dr. White said, is an individual matter, which depends upon a person's health, the necessity of his remaining on the job, and his recent history regarding whether he may already have had the flu or been exposed to it. Individuals in doubt should contact their own physician in regard to the matter of vaccination.

The county health department at present is cooperating with the Olympic Organizing Committee in giving shots to certain key per-

sonnel and employees involved with the games to prevent a breakdown in essential services in Squaw Valley next month.

Some of you Donner residents might be interested to know that plans are in progress for Civil Air Patrol in this area. I have the honor of being press photographer. That's two from Donner Lake to start off with so if you are interested attend the meeting on February 2 at 7:30 in the basement of the Church of the Mountains. Reverend George Symons will be chaplain for the patrol and Mr. and Mrs. Hugh Weinand will be there to explain about Civil Air Patrol. You need not have aviation experience but in case you have, it would be worthwhile for you to attend this meeting. Confidentially, I think I will be doing my part for the patrol on the ground but some day I may get up enough nerve to go up. We shall see.

100 BROADCASTER FOR SQUAW GAMES

SQUAW VALLEY—More than 100 broadcasters from 19 nations will be here February 18-28 to air the Olympic Winter Games to their homelands, it was announced today by Don Reeves, the organizing committee's radio-television director.

Most recent corporation to lend support to the international event is the Collins Radio Company of Cedar Rapids, Iowa. The mid-western firm is donating 30 transistorized, battery-operated remote amplifiers, 141 dynamic microphones and other audio equipment valued in excess of \$30,000.

The Collins equipment will be used by all foreign broadcasters covering the games in which 800 athletes from 33 nations will compete.

In order that the foreign broadcasters may familiarize themselves with the equipment, they have been sent complete operating instructions.

Collins and other United States manufacturers are helping the Organizing Committee provide the broadcasters with the following:

- (1) a radio center with booking office, switching center, 32 broadcast technical booths, two studios in the Press-Radio-TV Building, four interview rooms in the Blyth Arena plus sufficient studio and remote lines to broadcast or record simultaneous-

POPULATION UP 4.7 PERCENT IN COUNTY

Population for Nevada County was 19,710 on January 1, 1960, according to estimates made by California Taxpayers' Association. The county showed an increase of 4.7 per cent during the year 1959 and a decrease of 178 since the 1950 census count of 19,888.

California reached a new population peak of 15,343,000 to start the new decade. In a pre-release of an article scheduled to appear in the January issue of "Tax Digest," official publication of the association, Hugh H. Brown, California research statistician, stated, "the state showed a near record growth of 540,000 during 1959. Since the end of World War II, growth of this volume has been exceeded only in 1956 and 1952."

Since the 1950 census the state has gained over 4.75 million, an increase of 45 per cent from the census total of 10,586,223. During the 1940 decade, the state gained about 3.68 million, showing a growth for that period of 53 per cent. The gain in new residents

Many men are living in a spiritual fog; they refuse to wait upon the will of God or walk before Him with yielded hearts. How prayer enables man to cope effectively with the problems of daily living will be brought out Sunday at Christian Science services.

Each section of the Lesson-Sermon on "Love" will deal with some aspect of prayer as taught by the master Christian, Christ Jesus. Selections to be read from the Bible include these verses from the Sermon on the Mount: "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened" (Matthew 7: 7,8).

Also emphasizing the power of prayer are citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which include the following: "If we pray to God as a corporeal person, this will prevent us from relinquishing the human doubts and fears which attend such a belief, and so we can-

HISTORY

In The Fore In Peace and War

The National Guard tradition of service to country and community is an unbroken line which links the missile age of today with the era of the Minute Man.

Although the heroic figure of the Minute Man and the "Spirit of '76" have come to symbolize the 20th Century concept of the civilian-soldier, the fact is that the National Guard tradition is even more deeply-rooted in the American past.

It began, in a sense, when the first settlers patrolled the perimeters of Jamestown and Plymouth. It flourished in the courageous "trained bands" who protected settlements and opened roads through primeval forest.

The colonists' philosophy was that an able-bodied man would "join the avocation of a soldier" to whatever business or trade happened to be livelihood. This was the philosophy which led to the reliance that was to be placed in the militia over the years. An American phenomenon, it defied the European tradition that arms were to be borne only by "professionals" led by noblemen.

Nevertheless, Colonial militia forces fought shoulder to shoulder with the British in the French and Indian Wars. They helped win the siege of Louisbourg with skill which startled the professionals. British noblemen were inclined to look down their noses at "a regiment of New England farmers and fish-

ermen — led by a lumber merchant!" Britain's professionals and noblemen would meet these provincials again.

It began, the history books tell us, at Lexington, Massachusetts. This is where the tradition of the Minute Man got its impetus.

What is now known as the "National Guard" was first the Organized Militia. The term National Guard was first associated with the militia in 1824 when the 2nd Battalion, 11th New York Artillery (later, the famous 7th Regiment) was selected to serve as guard of honor for the visiting Marquis de Lafayette. The New Yorkers promptly re-named their outfit the "National Guard" in deference to his "Garde Nationale."

Of great importance to the military structure of the U. S. was the passage of, first, the Dick Act of 1903 which set the stage for modernizing the Guard along the same lines as the Regular Army. The National Defense Act of 1916 officially bestowed the title "National Guard" upon the elements of the old Organized Militia, ordered the organization of the Guard to conform to that of the Army itself. This established the Guard firmly as a part of the Nation's organized peacetime establishment as well as an integral part of the Army of the United States when in active service.

In 1916 some 159,000 Guardsmen were mobilized for duty along the Mexican border. In World War I the National Guard furnished 17 divisions. Eleven of them saw service under General Pershing in the AEF. Of eight U. S. divisions

rated "excellent" or "superior" by the German High Command, six were National Guard divisions.

In August 1940, the President of the United States ordered the National Guard into active military service. This brought into service more than 300,000 men in 18 combat divisions as well as numerous non-divisional units and 29 air observation squadrons. This at one stroke doubled the strength of our traditionally meager peacetime Regular Army. Guard units and individual Guardsmen served with great distinction on every World War II battlefield from Bataan to Okinawa, from North Africa to D-Day and the Battle of the Bulge.

In July of 1950 the U. S. engaged communist forces in Korea and a "partial mobilization" of our forces took place. During 1950-53, 183,000 members of the National Guard saw active service. Eight infantry divisions, 22 air wings, and hundreds of other units of both the Army and the Air National Guard were ordered to duty. Two divisions were hurried to bolster our forces in Europe; two divisions and two air wings were rushed to Korea.

Battle-tested and time-tested, the National Guard up-to-the Minute Men are ready today just as they have always been ready, willing and able in over 300 years of service to country and community.

Enjoyed the pleasing sound of the purest Italian spoken when I talked with assistant Tahoe City volunteer fire chief, Pete Vanni recently. Pete's family come from Tuscany in Italy. Pete's fluency and perfection made us feel like a Brooklynite trying to understand a Texas drawl. Pete was guest of Fire Chief Al Henry at last week's Rotary meeting at Tahoe Inn.

Mrs. William Haste (Fannie) writes from Gardena that she and Bill enjoyed a wonderful trip east visiting their families. They were gone about three months after leaving the lake in October and are now busy catching up on loose ends. On their return trip they had a wonderful visit to Carlsbad Caverns in Mexico. The Hastes were recent guests of Ralph and Mabel Stanley, of Stanola Lodge, Tahoma, in Santa Monica. Mabel writes she has been busy entertaining friends and relatives and is looking forward to seeing the Olympics. The Hastes are expecting a visit soon from the Louis Cellas, also of Tahoma.

HUGE VOLUME OF MATERIALS USED IN SQUAW PHONES

Squaw Valley's communications network for next month's Winter Olympics will have more than enough wire to stretch from Tahoe City to Oslo, Norway, and back, E. J. Bean, Pacific Telephone manager, said today.

The \$1,500,000 communications set-up is rapidly nearing completion, he said.

Some 19 miles of cables, most of it underground for protection against high Sierra snow, has been laid to beef up service in the area.

The cable is comprised of 60 million feet—or 12,000 miles—of individual wire. Oslo, Norway, home for many top contestants for the Winter Games, is only 5,200 miles away.

Some 1,200 phones are being installed at Squaw Valley.

Facilities include those needed for emergency, press, radio, television, scoring and other Olympic and public demands.

"Everything is being done to get the message—whether by telephone, teletype, radio or television—to its destination," Bean said. With all major construction complete, the main jobs remaining will be installation of \$250,000 worth of portable television gear and filling of many as yet un-received service orders.

Inaugural call placed by Director of Economic Development Administration of Puerto Rico over Puerto Rican cable system on January 26, 1960, was dialed by San Juan operator direct to Lt.

Governor of Hawaii. She dialed "808" to direct call to Hawaii, and then "507-037," the telephone number of the governor's mansion in Honolulu. The call

sped beneath Atlantic Ocean, across mainland-U. S. A., beneath Pacific Ocean, and then across Island of Oahu to Honolulu—making 6,000 mile connection within about three seconds.

WOLVERINES

(Continued from Page 1)
twenty-five cents for children. Student-body card holders are admitted free.

The Tahoe Truckee Wolverines met their cross-lake cousins, the Vikings, and humiliated them by a score of 43-32, Saturday night in the Viking gym.

Starting off the first quarter, the Wolverines initiated their fierce rivalry by running up a 12-5 margin. This was completely a team effort as five players hit the scoring column.

The second period saw TnT increase its lead to 24-15 on the strength of the scoring efforts of Sam Medford and Bob Merica.

Truckee threw up a stone wall defense in the third quarter, limiting the Vikings to only four free-throws, while they scored eleven points themselves.

Jim Childers hit a hot streak to score ten of South Tahoe's 13 points during the final period. The Wolverines kept pace through the fine efforts of center Bob Merica who hit 3 field goals on drives into the middle of the Viking defense.

In scoring, Bob Merica was the big gun for the Wolverines with 16 points to his credit. Merica was followed by Medford with eleven and Nottley with six. For the Vikings, Jim Childers had 13 and Larry White had nine.

Strict refereeing and a hot South Tahoe team gave the TnT Cubs their third loss of the season Saturday, to the tune of 49-45.

The first quarter saw Truckee run up a 10-6 lead with Dave Decker and Bennie Ferrari scoring 4 each. Bob Cole hit all six points for South Tahoe.

In the second stanza Truckee increased the lead to 23-18. John Holley scored 6 points, and was doing well on the boards. Then the Young Vikings drew the gap to 30-31, in spite of Decker's 5 in the third period.

Tempers were lost and whistles were blown as Truckee had 15 fouls; five of them technicals, and 4 of these in the last 15 seconds.

Young Viking Bob Cole then sank four successive free-throws to put the game on ice for South Tahoe; a 49-45 lead that Truckee could not touch in the 15 seconds left on the clock.

Bob Cole led the scorers with 25 points, and John Holley was the highest TnT scorer with 14.

The Cubs played their best floor game of the year, but shot poorly; hitting only 9 out of 21 from the foul line.

Dave Decker sank two free-throws in the last minute of play as the Tahoe Truckee Cubs ran up a 66-64 win over the Yerington JV team.

Truckee rolled to a 20-10 first quarter lead as Doug Baxter canned 8 points while John Holley was a great help on the boards.

In the second period every player saw action as Coach Baumgardner platooned teams while upping their lead to 37-32.

The third stanza saw the teams walking back and forth to each other's free-throw lines. Wilbert Aiazzi's 7 points and Dick Peterson's 6 helped Yerington close Truckee's lead to a 51-44 gap.

In the fourth quarter both teams came to a sterling finish as Yerington tied the game up with less than a minute to go. Decker was fouled, and sank both free throws.

In the scoring department, Decker was high with 21, and Yerington's Wilbert Aiazzi was second with 20.

DRAWS JAIL TERM AS PEACE DISTURBER

James Edward Therrian, 23, of Livermore, arrested in Truckee for being drunk in a public place and disturbing the peace, evidently thought Judge Fosten Wilson was joking when he told him to get out of town or he would get 90 days in jail.

Therrian, officers said, promptly went out and got drunk again, proceeding to disturb the peace once more and was arrested. The judge wasn't joking and Therrian began serving his 90 days Monday.

Return From Trip—

Mr. and Mrs. Keith Ross returned from a trip to Denver, Colorado.

LIONS MEET

A discussion on the forthcoming student speaker contest sponsored by the club, featured last night's meeting at Donner Lake Lodge. The contests start March 3. Slim Thompson presided at the meeting and guests included Charles Fink, Harold Langille and George Spillner.

CARD OF THANKS

We are very grateful to our friends, near and far who have sent messages of encouragement and lovely remembrances during my hospitalization at Truckee and Sacramento. Mrs. White joins me in thanking each one.

BLACKIE, I'M GOING DOWN TO DO THE SHOPPING AND I WANT YOU TO COME WITH ME TO CARRY THE GROCERIES!

OKAY, ELLA!

ARE YOU SURE YOU HAVE EVERYTHING? IF I'VE FORGOTTEN ANYTHING, I'LL SEND BLACKIE BACK FOR IT!

LET'S CROSS THE STREET, ELLA--- TOM MATHEW'S DOG ALWAYS CHASES ME! IT'S YOUR OWN FAULT, BLACKIE!

OH, OH! HERE HE IS NOW! IF YOU DIDN'T ACT FRIGHTENED, HE'D NEVER BOTHER YOU!

WELL, I'VE HEARD THAT DOGS OF THAT BREED WON'T LET GO ONCE THEY GRAB HOLD! HE WON'T BOTHER YOU, BLACKIE!

WELL, HE'S DOING A MIGHTY GOOD JOB OF TRYING! BLACKIE, DON'T RUN!

MAYBE THE GROCER CAN HELP ME!

DID YOU FORGET SOMETHING, BLACKIE? NO, BUT I'D LIKE TO BUY SOME OF THAT STUFF!

HIS NAME IS "SPOT", AND I WANT HIM REMOVED!

THIS IS DOCTOR NOGGINPROBER.... CHILD-GUIDANCE COUNSELOR! HIS DEPARTMENT HAS COME UP WITH A NEW-FANGLED TEST!

I KNOW!

I'VE PICKED A STUDENT WHOSE APTITUDE IS.....

...QUESTIONABLE!

COME IN, BOY!

OFFICE

HMM! I HAD A FEELING IT WOULD BE YOU!

THE PRINCIPAL IS GOING TO GIVE YOU THIS NEW APTITUDE TEST..... AND WE'RE GOING TO OBSERVE!

WHAT DOES A-D-O-L-E-S-E-N-T SPELL?

ADOLESCENT, BUT YOU LEFT OUT THE "C"!

#2 ADJUDANT

OH, YES! HARUMPH! GLASSES ARE DIRTY!

NOW, WHERE IS THE INK-BLOT TEST?

YOU SAT ON IT, SIR!

ONE HOUR LATER

NOW WATCH WHAT I DO AND REPEAT IT EXACTLY!

Y'MEAN SPILLING THE BEADS, TOO??

TWO HOURS LATER

NOW YOU MUST PASTE THE SPOTS ON THEIR COMPLEMENTARY SQUARES... WHERE'S THE RED?

STUCK TO YOUR FORE-HEAD!

THAT'LL BE ALL, ARCHIE, THANK YOU!

WHAT ARE YOUR CONCLUSIONS?

HIS APTITUDE IS POOR! I'D SAY EIGHTH-GRADE MATERIAL! CONCENTRATION... SUBNORMAL! MEMORY BELOW PAR AND REFLEXES....SLOW!

AND HOW DID ARCHIE DO??

THIS IS THE FIRST TIME JOHNNY
COOPER'S HAD HIS NEW TWIN
SISTERS OUT.

AREN'T
THEY
CLUTE?

YEAH—AND THEY
MATCH REAL
GOOD!

HOW DO YOU LIKE BEING
A WALKING SITTER,
JOHNNY?

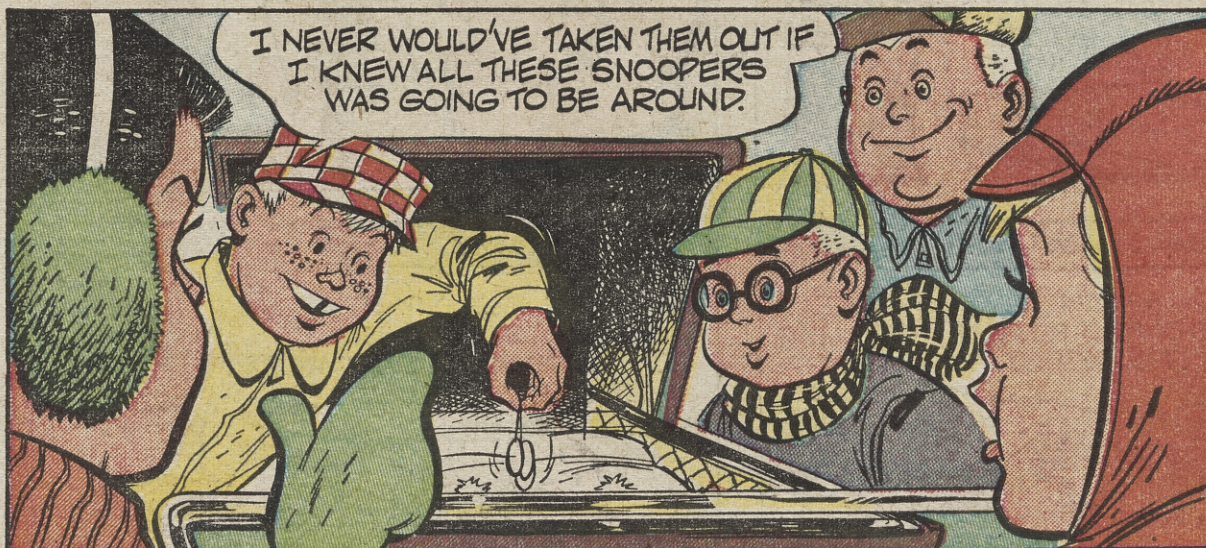

I'M
NOT SURE
YET

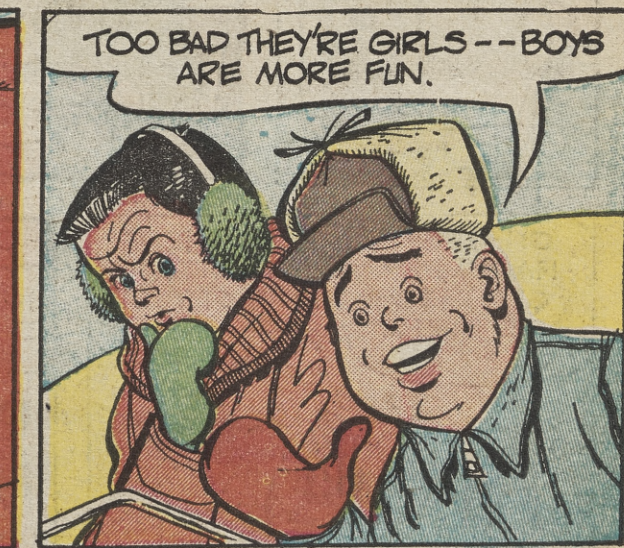

BUT I'LL TELL YOU ONE
THING, PAT—

I NEVER WOULD'VE TAKEN THEM OUT IF
I KNEW ALL THESE SNOOPERS
WAS GOING TO BE AROUND.

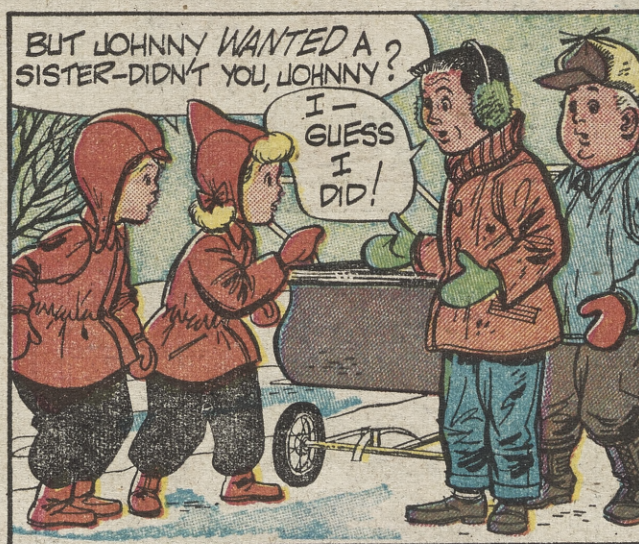

TOO BAD THEY'RE GIRLS -- BOYS
ARE MORE FUN.

BUT JOHNNY WANTED A
SISTER—DIDN'T YOU, JOHNNY?

I—
GUESS
I DID!

"YOU GUESS?" WHY
YOU EVEN TOLD US
YOU WERE PRAYING
FOR A SISTER.

I WAS—BUT I'M
SURE GLAD I
STOPPED
WHEN I DID!
